13th Meeting of Capacity Development Panel
(EC-CDP-13)

23 and 24 September 2026

What is the Consortium of WMO Education and Training Collaborating Partners?

- Be a formal mechanism to achieve the goals of the WMO Global Campus initiative
- Complement the work of the WMO Capacity Development Panel
- Assist in building critical mass of support for ensuring technically sound, coherent, consistent and timely input of stakeholders towards the provision of desirable strategic direction for education and training activities.
- Constitute a viable ground for minimization of duplication, to complement efforts, maximize impacts, and enhancing cost-effective use of resources

Content

- **Activities since previous report**
- **Key Highlights in Capacity Development Activities for 2026**
- **Items requiring Panel discussion, guidance or action**

Key Highlights in Capacity Development Activities

CONNECT Management group met 3 times in 2026 to discuss the following:

- a) The work plans of the CONNECT Working Groups for 2026
- b) Extraordinary meetings to draft the programme for CONNECT 4 (day 4 and half of day 5 with SYMET-15).

Key Highlights in Capacity Development Activities

For the programme of CONECT-4:

There will be 4 main sessions all around partnerships, collaboration and credentials

- 1) From Network to Active community: Making CONECT work for its members. Explore what CONECT and WMO Global Campus need to become a genuinely active learning community
- 2) Share, adapt and co-create – making better use of what we already have. A panellist discussion.
- 3) Sustaining collaboration through change: building partnerships that outlive individuals.
- 4) Beyond certificates: Recognizing learning across the WMO Global campus.

Items requiring Panel discussion, guidance or action

If anybody want to take part in the panel discussion as a panel member, please contact the chair of CONECT.

Thank You
