Registration procedure for METED website

Dear Participant,

You all have been registered on the course website i.e. http://etrp.wmo.int/moodle/course/view.php?id=134

The on-line activities and modules will become available from 16^{th} October 2017.

The first thing you will have to do is to complete the pre-course activities.

Then on 16th October @ 1100 hrs IST, we will have "Live Webinar", for which you will receive a separate mail for registration from "AnyMeeting.com". After registering with the details therein, you will receive another mail having a link for joining the webinar. Please be on-line by 10.45 a.m. on 16th October, 2017.

The Pre-course activity module is "Understanding Hydrologic Cycle – International Edition", The course website provides a link for this module.

However, the module as such is located on the MetEd website, which can be accessed when you click on the link of "Understanding Hydrologic Cycle – International Edition". This website is <u>www.meted.ucar.edu</u>. This website also requires registration from the participants, so as to see the modules placed therein. Some of the modules are directly available from the course website whereas some are available from the MetEd website

To be able to see these modules on MetEd website, you need to register on that website also. The procedure is given below :

Step-1

From the course website click on the link "Understanding Hydrologic Cycle – International Edition", you will get the screen as below.

You need click on the "Sign Up" button given at the top.

Step -2

When you click on the "Sign Up' button, the following registration screen will be opened.
