RE: PERMISSION TO ATTEND TRAINING WORKSHOP IN KANO

Please refer to your memo dated 16th May, 2016 on the above subject matter.

I write to convey the Vice Chancellor's approval of your request for permission to be away from the University between Monday, 23rd and Friday, 27th May, 2016. This was to enable you attend the Agricultural Productions Systems Simulator (APSIM) training workshop as Resource Person at the Bayero University, Kano.

It is noted that you had gone as scheduled and returned to the University. This letter therefore, is for record purpose.

Thank you.
