Priority levels issues

identified in most daily monitoring reports of the different WIGOS Monitoring Centres (not only one)

- One station showed “occasional issues”
 - **Low**
- Several/all stations of one country showed “occasional issues” since 5 days ago
 - **Medium**
- One station has “persistent issue(s)” since 5 days ago
 - **High**
- Several/all stations of one country “persistent issue(s)” since 5 days ago
 - **Very high**
