# Agenda Item 8:

## Concept on Education and Training Board

### Foreseen benefits

- 1 Increased training opportunities to support broadening of the knowledge-base, skills and job competencies of NMHS staff;
- 2 Increased cooperation among WMO RTCs and other training institutions and access to existing training for WMO competencies resulting in streamlining the development of education and training programmes and resources by participants;
- 3 Narrowing of the gap in the quality of training programmes and resources between training institutions;
- 4 Increased interaction with WMO programmes and Commissions and Members to address needs;
- 5 Reduction in the overall cost of some training events, thus allowing more persons to receive high quality training because of the Global Campus quality assurance process;
- 6 And ultimately, contribute to development and delivery high quality products and services by NMHSs and other beneficiaries.

# Agenda Item 8: Concept on Education and Training Board

## Consultation and review of Concept

- The concept on the Education and Training Board was presented to the WMO Education and Training Commission in recent meeting (ETCOM 21-1) and was well received.
- Following recommendation by ETCOM, WMO Technical Departments were invited to review the concept and provide comments, which are being collected.
- We invite the Capacity Development Panel to review the Concept note and provide comments and suggestions to ETR.
- The Concept will be presented and further discussed during the 14<sup>th</sup> Symposium on Education and Training (SYMET-14) in November.
