# 4.2 Programme descriptions for the Major Programmes

## 4.2 (d) [Recommendation](#) of the Capacity Development Panel (CDP) [on the review](#) of the “Capacity Development Programme”

The [Resolution 62 \(Cg-19\)](#) decided to maintain the Capacity Development Programme with the ETRP and the VCP.

### Decides:

(1)(c)(i) Capacity Development Programme, with subsidiary Education and Training Programme and Voluntary Cooperation Programme;

### Requests:

(3) The Executive Council, at its seventy-eighth session, to consider and adopt, on behalf of Congress, such updated programme descriptions, accompanied by a review and analysis of the programme-based approach in the activities of the Organization and recommendations to Congress as appropriate.

### The Capacity Development Programme

#### Main objective of the review:

**Harmonization and repositioning of the Capacity Development Programme and the Education and Training Programme, according to the Cg-19 Resolution 62 Decision 1 (c) (i)** (*the Capacity Development Programme, with subsidiary Education and Training Programme and Voluntary Cooperation Programme*), and other relevant documents.

#### Secretariat actions:

- Draft an update of the Programmes Description documents, according to the evolution of the WMO Programmes, the governance reform, the Strategic Plan, and other intervening changes,
- Develop a proposal to ensure the correlation between the CD Programme and the ETR Programme, according to the outcomes of Cg-19, resolutions and decisions of previous Cg and EC, the recommendations of the CDP, and the outcomes of SYMET-14 in terms of harmonization and repositioning
- Submit the documents to CDP for initial discussions in CDP-8 (February 2024)

#### CDP Actions:

- to acknowledge the draft updates shared by the Secretariat during CDP-8.
- to further discuss the updates during CDP-9, aiming to finalize the updates and draft proposal to be submitted to EC-78
- to present the proposed updates on the description of the Capacity Development Programme and the Education and Training Programme to the Infrastructure Commission, the Services Commission, and the Research Board

#### INFCOM, SERCOM and Research Board

- To seek guidance from the TCC in finalizing the proposal of the Programmes Description Documents

#### TCC

- To present the main programmes description documents to the EC-78 for adoption.

## 7.5 Review of subsidiary bodies of the Executive Council

- As decided in Resolution 7 (EC-77) – Subsidiary bodies of the Executive Council, the Council will consider amendments to the [terms of reference of the Capacity Development Panel \(CDP\)](#) recommended by the Panel.
